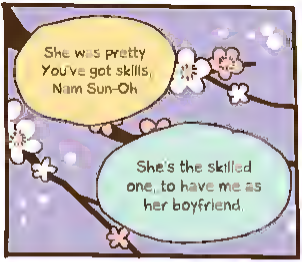
THE STORY OF SOMEONE WE KNOW
아는사람 이야기
Ep. 53. Spring + Cherry Blossoms + Beer

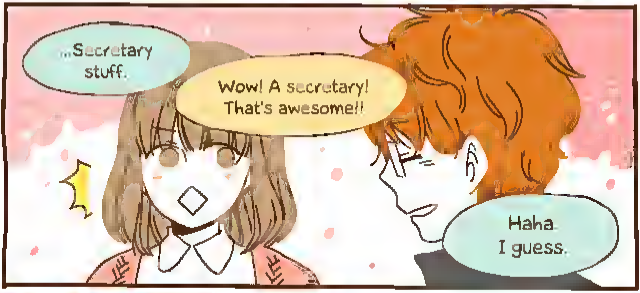
Then how about it? Meeting a person with a similar situation.
Well,
I have Sang-Hoon now so I can't really do that.
You don't have to meet them immediately I just said it because you kept sighing. Haha
Haha

Ah- I can't even imagine meeting another man...
I think I rather like the idea of Sang-Hoon becoming unemployed. Yeah, I like that more. Keke~
You must really like your boyfriend
You looked good with your girlfriend, too.
Eh?
I saw you two being lovey-dovey at a store.
Really?? You should have come and talked to us
Ah, that s - I tried to go and talk- but—
Why...
That
I just lost the timing to do it
couldn't I call out to you..?

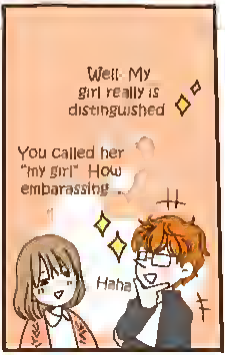


She was pretty
You've got skills,
Nam Sun-Oh
She's the skilled one, to have me as her boyfriend.

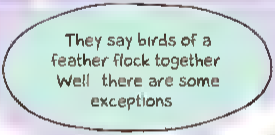
Lol, what the heck?
I heard she's older, so what does she do?



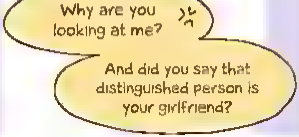
...Secretary stuff.
Wow! A secretary! That's awesome!!
Haha. I guess.



Well. My girl really is distinguished
You called her "my girl" How embarassing...
Haha



They say birds of a feather flock together
Well there are some exceptions



Why are you looking at me?
And did you say that distinguished person is your girlfriend?

...Well... I'm kind of that exception...
Haha I knew it!
Poke
= Poke
My inferior friend:
Could you stop thinking of me as if we're on the same level?
My heart feels light.
It's bubbly and refreshing.
Perhaps,
it's the power of
spring + cherry blossoms + beer

Café NOTHING
Hello, Nuna! ♪
Huk What's wrong with your face?
Whoa...
...Yesterday, after you left, we had another round of beer while flower-viewing
Just the two of you?? Ssum-Nuna is cheating on her boyfriend! Haha
I'm on Sang Hoon Hyung's side!!
Hey, that is so not true!
You little brat.
That's not the problem I lost my phone yesterday...

Did you try calling your phone?
It was out of battery T_T
I feel nervous without my phone...
Ah
Ahhh
Everyone, this is what you call addiction, so please use it moderately!!
Sang-Hoon must be worried...

Sure.
Why two?
I'll help you.
Oh, thanks!
grab
Ah, one's for my girlfriend.

We're going to go watch the movie, "Jojo".
She's diligent. Haha.
She should come in...
Why is she outside?
Ahh..
Apparently, she doesn't want to come in because her skin and makeup aren't satisfactory.
Aha~!
Man Who Cannot Understand
That would be awkward.
Women Who Can Empathize
Hyung- Here's the coffee.
Thanks!
Ah!

How do you feel?

That's okay!

Huh...?
That easy?
It's really fine!
I knew you were busy but I still whined to you I'm sorrier than you.
Hehe
Sigh
Ah, thank goodness You didn't answer my calls or my text so I thought you were really angry ..
Ah That's because I lost my phone.
What? Yesterday? Why what happened?
No no! I found it again this morning!
There was a get together with my coworkers and I must have dropped it while enjoying myself Thankfully the coworker who s around my age found it for me
Hazy
That person...?

Well, it's good that you found it.

Yes, this is the best!
Compared to that....
Face-palm Slap!
ACK!!
Your girl isn't the only distinguised one- My man is distinguished too!

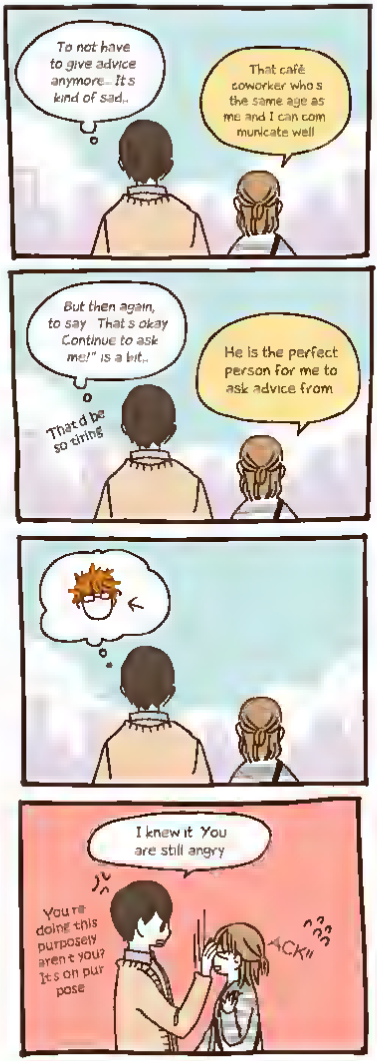
I reflected on my behavior
It must have been tiring for you to keep encouraging me all the time when you couldn't even empathize with my troubles
From now on that won't happen again. I won't unnecessarily ask for advice anymore
What is this ? She sounds like she's still annoyed
Are you angry or not...



To not have to give advice anymore... It's kind of sad..
That café coworker who's the same age as me and I can communicate well
But then again, to say "That's okay Continue to ask me!" is a bit..
That'd be so tiring
He is the perfect person for me to ask advice from
I knew it You are still angry
You're doing this purposely aren't you? It's on purpose
ACK!!
